

Raising money for our school is as easy as eating dinner! Bring your family to Doc Chey's in Grant Park Wednesday, November 9 from 5-10 PM or call ahead for take-out. It's as simple as that. A portion of your purchase will be donated to Mary Lin PTA.

Below are a few requests from Doc Chey's that will help things move more smoothly the night of the Dine-Out:

1. Spread out your dining times so everyone does not arrive between 6 and 7pm.
2. If you want to dine with another family, please come together. It is difficult to add a family to a family that has already been seated, and it adds to the wait time.
3. In consideration of other Mary Lin families who are waiting, if you are finished eating, please continue your conversations in an area we provide on the patio. This will allow us to get more families seated and served while minimizing wait times.
4. Please keep your children seated so our staff can move quickly through the dining room and we can insure the safety of your family. Remember, there will be many guests in the restaurant who are not associated with the dine-out but will still be donating 15% of their dinner check to your school. We want to make sure they have a pleasant dining experience.
5. We also donate proceeds from take-out. Call-in your take-out order, and we'll have it waiting piping hot when you arrive with virtually no wait. We have two reserved take-out parking spots right near our front door for your convenience.
